## California Application for the Uniform Certified Public Accountant Examination Instructions

When completing the hardcopy application it is important that you read the *Uniform Certified Public Accountant Examination Handbook*, which is available on the Board's Web site at [www.dca.ca.gov/cba](http://www.dca.ca.gov/cba). Read the handbook carefully, as you are responsible for fulfilling all requirements pertaining to your application for the Uniform CPA Exam (CPA Exam).

California Board of Accountancy (Board) staff are unable to provide responses to individual requests for verification of receipt of applications, payments, or educational documents. However, once the Board has established your online Client Account and notified you of your permanent Unique Identifier Number and password, you may check the status of your application on the Board's Web site at [www.dca.ca.gov/cba](http://www.dca.ca.gov/cba).

### Directions for Filling out the Application:

The following items match those on the hardcopy application. You must send the required fee with your application. Applications submitted without the fee will be returned.

**Required documents include official transcripts or Board-approved foreign credentials evaluations. These documents must be sent directly from the educational institutions or Board-approved foreign credentials evaluation service to the Board. To ensure confirmation that your education requirements have been met, official transcripts from each United States college or university attended must be mailed directly from the institutions to the Board.** Failure to submit all of your educational documents will result in delaying the processing of your application.

### Applicant Status:

Indicate whether you are a repeat applicant, first-time applicant, or transfer applicant.

- A repeat applicant is defined as someone who has previously applied and qualified as a California candidate. Please indicate the exam date of your last application.
- A first-time applicant is defined as someone who is qualifying for the CPA Exam as a California candidate for the first time.
- A transfer applicant is defined as someone who is qualifying for the CPA Exam as a California candidate for the first time and has previously applied and qualified for the CPA Exam as a candidate of another state or jurisdiction. Any grade(s) earned while a candidate of another state or jurisdiction must be transferred to the Board.

### Unique Identifier Number:

If known, provide your permanent California Unique Identifier Number. Your permanent Unique Identifier Number is the alphanumeric code, such as AB12345, that was provided to you on a previous application, Unique Identifier notification letter, or grade report.

### Personal Information:

- Name: The name and address you provide the Board will be used when mailing any communications from the Board or from the National Association of State Boards of Accountancy (NASBA). An incorrect name or address will delay the receipt of important correspondence. Send any name change in writing to the California Board of Accountancy.

**It is extremely important that the spelling of your name EXACTLY match the required identification presented at the testing center.** You may be denied entrance to the CPA Exam testing room if your name as shown on the Notice to Schedule does not match exactly your name as indicated on the required form of identification.

### Identification Requirements

At the testing center you must present two forms of acceptable identification and your Notice to Schedule (NTS) issued by NASBA. You will not be admitted to the examination without the proper identification and your NTS. If you arrive at the testing center without the three items, you will not be admitted and you will forfeit all exam fees for that section.

If you have a legal name change after the issuance of the NTS, contact the California Board of Accountancy. A new NTS reflecting the name change will be issued by NASBA.

Both pieces of identification must be signed, be current or non-expired, and the government identification must bear a photograph. The name(s) on both forms of identification must be the same as the name(s) that appear on the NTS (Candidate name (first, middle, last) and/or passport name).

**Exception:** In states where the driver's license name may be truncated (shortened), the driver's license may be used as primary identification so long as the name on the secondary identification exactly matches your name on the NTS.

#### *Government Issued Identification (Primary Identification)*

The only acceptable forms of government identification are listed below and **must include your signature and photograph, and must match the name on the NTS.** All forms of identification must be current and cannot be expired.

- Valid (not expired) driver's license with photo and signature issued by one of the fifty U.S. states or by a U.S. territory.
- Valid (not expired) passport with photo and signature issued by the U.S. states or territories.
- Valid (not expired) government issued passport for non-U.S. citizens.
- Valid state identification card issued by one of the fifty U.S. states or by a U.S. territory. (Candidates who do not drive may have an identification card issued by the agency which also issues driver's licenses.).
- Valid U.S. Military identification.

#### *Secondary Identification*

Secondary forms of identification must include your signature. Acceptable forms of secondary identification include:

- An additional U.S. Government issued identification.
- Accountancy Board-issued identification to include same name as passport if this field is completed by the candidate.
- Valid credit card.
- Bank automated teller machine card (ATM).
- Bank Debit Card.

**Exception:** If a candidate uses a government issued passport, where the name on the passport matches the Passport Name on the NTS, the name on the secondary identification must match the Candidate Name on the NTS.

### *Unacceptable Forms of Identification*

- Permanent Residency Card (sometimes referred to as a “green card”).
  - Social Security card.
  - Draft classification card.
  - Student identification card.
- 
- Other/Previous Name: If you have any transcripts under another last name, or if you have used a different name when applying to this Board or another state board of accountancy, provide that or those names in the space provided.
  - Passport Name: Any candidate using a **Passport** for identification MUST complete the passport name information. You will not be allowed into the testing room unless the name on your passport (spelling) matches the name that you provide to the Board. This name will be printed on the Notice to Schedule that you receive from the National Association of State Boards of Accountancy (NASBA).
  - Certification Name: Please use the space provided to print your name as you would like it to appear on the certification of CPA Exam passage letter that will be sent to you once you pass the CPA Exam. (First name, middle name or initial (if desired), last name, and suffix (Jr., Sr., II, III, etc., if desired). Please be sure to add spaces and punctuation as necessary.
  - Contact Address: This must be the postal address where you would like to be contacted while a California candidate. The Board and NASBA will be sending you important information during the time that you are taking the CPA Exam.
  - Daytime Telephone Number: This telephone number should be a valid number where you can be reached during the time frame you will be taking the examination. The number will be used by the testing center to contact you if there is a need to change your scheduled testing date or time. It may also be used by the Board or NASBA to contact you regarding your application.
  - E-mail Address: The e-mail address must be active, especially if you choose e-mail as your preferred method of receiving communications from the Board and NASBA.
  - Employer and Work Address: These fields are optional.
  - Date of Birth: You MUST provide the Board with your month, day and year of birth.
  - Preferred Method of Contact: Choose either mail or e-mail. If no choice is provided or if the Board is unable to deliver the information via e-mail, all correspondence will be sent via mail.
  - CPA Status: If you are currently licensed as a CPA in California or any other state or jurisdiction of the United States, mark “Yes” in the space provided. If yes, indicate in which state or jurisdiction you are licensed. Applicants licensed as accountants in other countries should mark “No”.

### **Social Security Number:**

Providing your U.S. Social Security Number (SSN) on the examination application is voluntary; however, if a SSN is not provided you will be required to pay an additional \$67.50 fee to NASBA when obtaining your Notice to Schedule. A SSN is required when applying for a California CPA license.

If provided, your SSN will be transmitted to NASBA and NASBA indicates that it is to be used as part of its national examination candidate database, for the purpose candidate identification.

### Special Accommodation(s):

It is the policy of the Board to provide special accommodations to those applicants with special needs. Special testing arrangements must be arranged when applying for the exam. If requested, you must provide documentation for one of the following categories:

- ADA Related The California Board of Accountancy complies with Title II of the Americans with Disabilities Act. Even though you have been approved for accommodations previously, the Request for Accommodation of Disabilities Form must be submitted with each exam application. Applicants who are requesting accommodations for the first time must have the Documentation of Disability Form completed.
- Medical Related The California Board of Accountancy makes an effort to provide consideration of an applicant's medical needs. Applicants who are requesting non-ADA medical accommodations, must have a completed Medical Consideration Request Form included with the application.

### Education:

All applicants must have completed the education requirements by the time they file an application. Information about the educational requirements can be found in the handbook.

Please note that transcripts and foreign credentials evaluations must be sent directly to the Board by the educational institution or evaluation service. All transcripts from U.S. educational institutions must be sent directly to the Board by the college or university and will not be accepted if sent by a foreign credentials evaluation service. For timely processing of your application, the Board highly recommends that educational documents be sent to the Board prior to submission of your application.

**Reminder: ONLY those applicants, who sat for at least two sections of the Uniform CPA Examination as a California candidate prior to May 15, 2002, may choose to continue to sit for the exam under Pathway 0.** Please note that all candidates continuing to sit for the exam under Pathway 0 educational requirements must pass the exam, qualify and apply for licensure by December 31, 2005.
